

Notice of Inclusion of Information in the Credit Information System (SCR)

Banco Semear S.A. hereby informs its Clients that:

- a) All debts and liabilities arising from any credit-related operations carried out with Banco Semear S.A. will be registered in the **Credit Information System (SCR)**. The SCR is a database containing information on credit operations contracted by individuals and legal entities with financial institutions. These records, as required by regulation and under the responsibility of financial institutions, are submitted to the **Central Bank of Brazil (BACEN)**, which manages the SCR.
- b) The SCR serves the following purposes:
- To provide information to BACEN for the purposes of monitoring credit within the financial system and carrying out its supervisory activities; and
 - To enable the exchange of information between financial institutions and other entities, as defined in Article 1 of Complementary Law No. 105, dated January 10, 2001, regarding the amount of client liabilities in credit operations, in order to support credit and business decisions, in line with the credit policies of financial institutions.
- c) The Client may access the data registered under their name in the SCR through **Registrato – BACEN’s Credit Information Report** (<https://www.bcb.gov.br/cidadaniafinanceira/registrato>) or via BACEN’s Public Service Center.
- d) Any objections regarding information contained in the SCR, as well as requests for corrections, exclusions, or the registration of judicial measures in the SCR, must be submitted through Banco Semear S.A.’s official service channels, by means of a written and substantiated request from the Client, accompanied by the corresponding judicial decision, when applicable.
- e) Any consultation of information contained in the SCR by BACEN-authorized institutions shall depend on the prior authorization of the Client for such credit operations.

Authorization for Consultation and Registration of Information in the Credit Information System (SCR)

The Client expressly authorizes **Banco Semear S.A.** to consult and register information and data regarding debts and liabilities arising from credit operations that are, or may in the future be, registered under the Client’s name in the SCR, or in systems that may complement or replace the SCR. This authorization for consultation and registration of information in the SCR also extends to financial institutions that acquire or receive as collateral, or that may express interest in acquiring or receiving as collateral, in whole or in part, credit operations under the Client’s responsibility.
